

FOR IMMEDIATE RELEASE:

A Return to Values

A Conservative Looks at His Party

Bob Beauprez

A Republican analyzes today's hot-button issues and how his party must address them.

A Return to Values continues the conversation about where Republicans have gone astray, and takes a critical look at the state of politics in the United States.

Denver, CO (1/1/2009)—Following the recent presidential election and the criticism of Republicans who've made questionable moral decisions, conservatives across the country have been seriously discussing how to refocus their party. Former gubernatorial candidate and US congressman Bob Beauprez takes a look at the values his party was founded upon and what can be done to restore the faith of US voters.

Beauprez's first book, *A Return to Values* examines topics such as:

- Terrorism
- Illegal Immigration
- Healthcare
- Education
- Environmental Policy
- Fiscal Discipline

Beauprez uses research and history to back up each of his points. He then goes on to analyze where each party has gone wrong and what needs to be done in order to get the United States back on track.

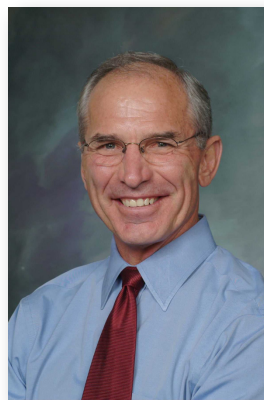

A Return to Values offers important ways to continue the conversation about what is off course with politics in the United States.

FULCRUM PUBLISHING,
founded in 1984, takes pride in encouraging readers to live life to the fullest and learn something new every day. The company is a resounding voice for independent publishing in the western United States, carrying and promoting over 450 active titles.

Bob Beauprez is a former US congressman who ran for governor of Colorado in 2006. He currently maintains *A Line of Sight*, an online resource focusing on commonsense solutions to the United States' policy issues, and operates a buffalo-breeding and hay ranch in Colorado's mountains. Prior to serving in Congress, he was a dairy farmer and founder of Heritage Bank. Beauprez and his wife, Claudia, reside in Lafayette, Colorado, on the land that has been in his family for generations.
